Dear Judge Fry,

My name is Thomas Gotes

On April 6<sup>th</sup> I came into your courtroom really not sure what was going to happen. you told me to have a jury trial. I'm asking you if you will consider to help me be able to go home to my family back in Texas. I really miss my family and need to be with them at this time. My Dad is having to recover from surgery for skin cancer and my mom need me to be there for her. So Please Your Honor will you consider my request.

Sincerely

Thomas Gotes
